

_____'S PRACTICE LOG

[NAME]

[DIVISION]

FINAL THREE ROUNDS

IMPORTANT INFORMATION

Each practice session should not exceed what is healthy and effective for student learning. The scoring for the challenge will count no more than the following minute totals per practice session: 30 minutes (Suzuki and Beginner levels), 45 minutes (intermediate level), 60 minutes (Junior Orchestra and High School). Students who wish to practice longer should take a break and then start a second practice session.

The Suzuki method emphasizes parent involvement in home practice, so this division has some unique rules. Time spent actively listening to the Suzuki recording counts as practice time and parents should be the ones to fill out the practice chart.

Parents are asked to submit their child's practice log by 6:00PM on Saturday, March 1, 8 and 15 by either text or email (616.828.8321 or dreimer@greatlakescfa.org). Leaderboards will be posted on DGSP Facebook page and website so that you can check to see if your student is among the leaders in their division. Additionally, Dr. Reimer will contact families by Sunday evenings to notify them if their student(s) have advanced to the next round.

Mark your calendar! The final results will be announced at the DGYO concert on March 17 at the GLCFA.
